Lab 2: Database Creation

Due date: Thursday, April 15, **midnight**

Please note: While the lab deadline is Thursday midnight, we will start a new lab on Thursday, April 17.

Submission Instructions

The Lab 2 handout outlines the exact specs for creating the archive `lab2-<ilastname>.zip` or `lab2-<ilastname>.tar.gz` that you will be submitting. It is important for you to follow those isntructions fully and use the presecribed directory structure and filenames.

Note: Your files should use no sql*plus `spool` commands. We will spool your output for you.

Once you created your submission archive, submit it using the following `handin` command:

```
handin dekhtyar-grader lab02-365 <file>
```

Good luck!
