```java
package  caltool.schedule;

import caltool.caldb.*;

/****
 *
 * Test driver for ScheduleTest.
 *
 */

public class ScheduleTestDriver {

    /**
     * Construct a stub CalendarDB and call ScheduleTest.run().
     */
    public static void main(String[] args) {
        CalendarDB calDB = new CalendarDB();
        ScheduleTest scheduleTest = new ScheduleTest(calDB);

        scheduleTest.run();
    }

}
```
